Seller shall not be liable for failure to perform any obligations under this agreement where such failure may be due to causes reasonably beyond seller's control, including acts of God (e.g. storms, floods, lightning, or earthquakes), fires, explosions, wars, civil unrest, labor disputes, transportation breakdowns, harbor closings, governmental restrictions, (e.g. allocations, priorities or price controls) or other such cause. Seller's ability to supply petroleum products further is dependent on their continued availability from sellers usual and anticipated supply sources. In the event such products are not readily available in sufficient quantities to meet sellers total commitments, seller shall have the right to allocate in a reasonable manner. No such occurrence shall relieve buyer of the obligation to pay in full for product actually delivered.
